

# ACID SHIELD™

Owner's Guide

Congratulations on the purchase of your new EasyWater Acid Shield. As with every EasyWater product, we are confident that you will be completely satisfied with your purchase. EasyWater is dedicated to providing the healthiest and most eco-friendly products to our customers.

## How EasyWater Acid Shield Works

Untreated water enters the filter and flows upward through the natural media, raising the pH to a level that reduces corrosion in your home.

## Benefits of EasyWater Acid Shield

- ✓ All natural media raises the pH of your water, extending the life of water-using appliances
- ✓ Reduces corrosion in water heaters, faucets, fixtures and appliances
- ✓ Helps reduce pinhole leaks in pipes caused by acidic water
- ✓ No more cleaning blue-green stains from sinks, tubs and laundry
- ✓ Helps prevent leaching of metals into your household and drinking water
- ✓ Low maintenance design uses no electricity and does not require a drain
- ✓ Space saving single tank design

## Maintenance

---

Your EasyWater Acid Shield requires very little maintenance. You can expect periodic filter media replenishment, typically once every 6 to 18 months.

## Troubleshooting

---

For other service or maintenance issues please contact your EasyWater Authorized Partner Dealer.

## Limited Warranty

FREIJE Treatment Systems, Inc., Greenfield, IN warrants this EasyWater Acid Shield (referred to as System) as stated herein:

From the date of installation, within the warranty period described below, we will repair or replace any part which we find defective because of faulty materials or workmanship. You pay only freight to our factory and local labor charges.

- » 5 years on valve
- » 10 years on tank, excluding media

Damage to any part of System because of misuse, misapplication, neglect, alteration, accident, installation or operation contrary to printed instructions, or damage caused by an act of terrorism or any unusual force of nature such as, but not limited to, freezing, flood, hurricane, tornado or earthquake is not covered by this warranty. In all cases, regular parts and service charges will apply.

We assume no warranty liability in connection with this System other than specified herein. This warranty is in lieu of all other warranties, express or implied, including warranties of fitness for a particular purpose. We do not authorize any person or representative to assume for us any other obligations on the sale of this filter.

Should a defect or malfunction occur, contact your EasyWater Authorized Partner Dealer. If you are unable to contact your EasyWater Authorized Partner Dealer, contact FREIJE Treatment Systems, Inc., at (888) 766-7258 or via email at [info@easywater.com](mailto:info@easywater.com). We will repair or replace the part at no cost if our repair department determines it to be defective under the terms of the warranty.

Feed water quality must meet the requirements for this system on an ongoing basis in order for this warranty to be valid.

This warranty is valid for the original purchaser only and gives you specific legal rights. You may have other rights which vary from state to state.
